Tucked away behind The Royal School, hidden by a copse and the rise of Mezell Hill, lies a hidden gem: Windsor Great Park Vineyard. This four-hectare plot, planted in 2011 with the classic Champagne varieties (Chardonnay, Pinot Noir and Pinot Meunier) revived the near 1000-year-old vineyard history on the Royal Windsor estate. We have even made a Gin. Come and join us to taste and hear the story so far.
